SEMINARS AND MEETINGS

At the Appenzeller show dairy

Immerse yourself in the beautiful landscapes and hills of the Appenzeller region, far away from the hustle and bustle of life. Here with us, small seminars can be conducted in a calm, interesting and creative way. Our four small rooms designed for seminars and groups are ideal for hosting seminars, workshops and meetings. The restaurant also offers excellent dining and drinking options for before and after – our menu boasts market-fresh dishes, cheese specialties and delectable dishes made from mostly local produce.

As a guest, you will also get a little closer to finding out the secret of Appenzeller® cheese. A cheesemaking demonstration takes place until 3.00 pm following lunch.

Nearby natural areas offer fantastic opportunities for walking, making your own cheese, discovering the area on a mountain-bike or e-bike and much more. An aperitif as part of the tour experience? A guided tour? A fondue party in the rustic Höckli restaurant? We would be delighted to offer suggestions for your curated events programme. Inspired by the peaceful, stunning views of the Alpstein, guests can relax and indulge – and get a new lease of life.

We offer technical support and help with decorating, wiring, printing and copying.

We would also be delighted to curate your event programme on request and help with the planning and organisation.
